Contents of Kit

31 The two lower brackets (1d, 1e) are secured to the tapped plates that anchor the top frame just behind
32 the door opening. The upper brackets (1f, 1g) have flat "tabs" that slide into the open ends (1b, 1c) of the
33 rail that supports the windblocker (1a).

38 *Although every effort has been made to ensure the accuracy and clarity of this information, errors and/or*
39 *omissions on our part are almost inevitable. Any suggestions that you may have that will improve the*
40 *information (especially detailed installation notes) are welcome. Please use the simple email form on the*
"Contact Us" page on the Moss website: <http://www.mossmotors.com/AboutMoss/ContactUs.aspx>
If you prefer, you may call our Technical Services Department at 805-681-3411. So many people call us for
help that we are often not able to answer the calls as fast as we'd like, and you may be asked to leave a
message. We apologize in advance for the inconvenience. We will get back to you within 2 business days.
